Campaigns > Home Away from Home (Accommodation)

Accommodation is a huge issue for many Postgraduate and HDR students. From negative experiences with on-campus accommodation to struggles with finding family-friendly accommodation, we're working to support all PARSA members with finding a "Home Away From Home".

This campaign is about creating structural and systemic change, but if you're experiencing immediate homelessness or housing stress, or if you're just looking for tips for finding accommodation in Canberra, please head on over to the [Emergency Accommodation Assistance](#) page or check out PARSA's [Accommodation Seeker](#) or [Housing Tips](#).

If you'd like to get involved in this particularly exciting campaign, we're looking for volunteers. If you're interested in helping out, please fill in the google form below and we'll be in touch.
